

Sector Skills Agreement Employer Event

Edinburgh

March 10th 2009

An Introduction to Sector Skills Agreements

Mike Docherty
Senior Learning & Development Adviser

Purpose of SSAs

improve supply of skills to each sector of the economy

identify sector's skills priorities and resources currently available to it for skills development

with individual members of the Scottish stakeholders group (namely, HIE, Scottish Enterprise, Careers Scotland, Learndirect Scotland, STUC, Jobcentre Plus, SQA, SFC) match our priorities to theirs

maximise stakeholders' resources to meet sector's needs.

Sector Skills Agreement process

Methodology in Scotland:

review of previous relevant reports;

analysis of national datasets (LFS, ABI);

employers survey (300+ workplaces) ;

users and carers survey;

consultation events (5);

skills supply discussions (4);

regular bi-lateral meetings with Scottish stakeholders

Key Outputs:

Stage 1 and 2 Headline report

Reports for Stages 1, 2, 4 and 5;

agreement and agreed actions signed off by stakeholder CEOs

migrant workers reports
